

## Field Security Officer – Toronto

I represent an Atlanta, Georgia based corporate client that is interested in immediately filling the position of Field Security Manager in Toronto, Canada. The individual who fills the position should have: a Bachelor's Degree from an accredited college or university; prior experience in law enforcement or corporate security; the ability to conduct both internal and external fraud and theft investigations; successful management experience; the ability to liaise with local law enforcement and prosecutors; knowledge of applicable local and national criminal laws and procedures; be computer literate and have the ability to write clear and comprehensive reports. Bilingual French/English capability would be considered a plus.

Salary will be in the \$75,000 USD per annum range. There is also a 7.5% bonus potential above the salary. Additional remuneration includes a corporate benefits package including an automobile allowance and mileage reimbursement. The company will not reimburse expenses in connection with an interview or relocation. The Company is an equal opportunity employer and I am desirous of developing an exceptionally competent and diversified pool of candidates.

The office is located in the Greater Toronto Area. The position will require approximately 50-75% travel with responsibility for Eastern Canada from the Great Lakes to the Maritime Provinces.

If you are aware of any potential candidates for this position, please have them submit their résumé to me via my e-mail (preferred) to [george@georgealznauer.com](mailto:george@georgealznauer.com). In the alternative, but less desirable, they can facsimile to my attention at **904-277-3160**. The resume should be no longer than 3 pages and include (but not be limited to) education; contact information; professional experience and training demonstrating skills required for the position emphasizing investigative abilities and accomplishments.

The deadline for submitting résumés is DECEMBER 23, 2011

Sincerely,

*George M. Alznauer*
