

**Howard Kearley Award**  
**RECRUITMENT REPORT**  
**23 December 2013**

***Merry Christmas and a Happy New Year Division Presidents!***

This year is almost at an end as is the Recruitment Campaign.

**Recruiting Results at Nov 30<sup>th</sup>** Well, we're close to our target of **468**. At the end of November we had **416**. For December we need **52** to achieve our goal. Attached is the Nov 30<sup>th</sup> spreadsheet for individual division standings.

**Recruitment Survey** This is the 2<sup>nd</sup> call to submit your survey. Thanks to those divisions who have already sent them in. The survey form is on the National website under *Membership/Recruiting*. Asking this single question is not a difficult task but the feedback will be very helpful to assess our advertising and other recruitment efforts this past year. It may not be possible to quiz every new member but send in what you can via scan, fax (902)252-0744, regular mail or e-mail message on the survey form no later than 10 Jan 2014.

**Recruitment Poster** It is important that the 13 Divisions involved in placing these posters in the RCMP HQ and detachment buildings make contact with the Warrant Officers as soon as possible to arrange a convenient time to get these posters displayed.

**December Applications** All December applications need to reach Jennifer by Jan 10<sup>th</sup> for 2013 recruitment credit. Applications must bear a *December* date to count.

**Year-end Member Count** From your Division *Nominal Roll* on Dec 31<sup>st</sup>, take a count of all Active and Life members. Send me your numbers by 10 Jan 2014.

**New Year's Resolution** *Set an example by helping, not complaining. Gripe less and act more. Invest less time in fretting over trivial things and more energy in making a real difference.*

**The very best to you all in 2014 ..... George**
