

OKANAGAN DIVISION RCMPVA
SPECIAL PRESENTATION TO
COMRADE FRANK RICHTER

Frank Richter and Nick Shaigec

June 21, 2008 – During a “Putting” Social event at Michaelbrook Ranch Golf Course –a special presentation was made to Frank Richter by Past President Nick Shaigec, who is a Member of the RCMPVA National Executive Committee.

This award given to Jim Forsyth, Jack White and Frank Richter was approved at our *NEC* (National Executive Committee – RCMKPVA) meeting in April for their time efforts and financial resources in promoting the RCMP Veterans Association. Both Jim Forsyth and Jack White maintain a data base of current and former members of the Force and have a long history of doing so. In respect to Frank Richter, his contribution is more recent, but no less important as his dedication to his weekly distribution of "*Frank's Fact and Funnies*" has captured the imagination of all his readers and is a welcomed addition on all computers.
